

Declaration of Conformity

Manufacturer Haandrikman Audio Systems B.V.
Archimedesbaan 3
3439 ME Nieuwegein
Netherlands

Product name Helios N-1

Article number H962150.000

Product description Passive Audiophile Network Isolator for High-Fidelity audio applications.

Intended use This product is specifically intended for isolating network signals in audio-visual systems with the aim of improving the quality of sound reproduction.

EU regulations 2011/65/EU RoHS Directive

Harmonized standards NEN-EN-IEC 63000:2018 Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.

IEEE 802.3 / IEEE 802.3u Technical specification for Ethernet connectivity (10/100 Mbps)

Note on EMC and LVD The Helios N-1 is a purely passive device without active electronic components or power supply connections. It does not generate electromagnetic emissions and is inherently immune to typical electromagnetic disturbances. As such, it is considered "inherently benign" in the context of the EMC Directive 2014/30/EU and falls outside the scope of the LVD Directive 2014/35/EU.

This Declaration of Conformity is issued under the sole responsibility of Haandrikman Audio Systems B.V. We hereby declare that the device is in conformity with the above listed directive and harmonized standards.
